What Happens Next

Once your application, artist statement, images, and fee have been received, our Selection Committee will review your materials and follow up with an initial response.

The Committee meets with prospective members twice a year to view work in person — dates and location are posted on our Membership page. Please bring 5–6 pieces of your current work, presented as if it were being hung in an exhibit. After this meeting, the Committee will share feedback with you, and if your application is approved, it will be sent to the full BozART membership for a final vote.

Our Membership Chair, Judi Ely, will contact you with the outcome of your application as soon as possible.

We look forward to hearing from you!
